SPECIAL BIRTHDAY CAKE

26850

Just before my 40th birthday, I had a very strange dream. In the dream, I was at my own birthday party. My wife was there, as well as my neighbor, Ralph, and his wife, Betty. Everyone—including me—was having a good time. We were sitting around a table with a big birthday cake in the middle. Suddenly, the cake began to wiggle around. It got sort of soft and rounded. Then it started to make little, soft moaning sounds—the kind I like to hear when I fuck. I leaned over it so I could see it better. When I did that, it sort of parted in the middle and formed a big pink pussy. I quickly climbed up on the table and stuck my dick in it. It seemed like the most natural thing in the world to be fucking a birthday cake in front of my wife and neighbors. I proceeded to fuck the daylights out of that cake.

Just before my birthday, my wife asked me if there was anything special I wanted. I jokingly told her to get me a birthday cake that fucked. I also told her I wanted to stay home and have a quiet evening, with no party or anything.

The day my birthday arrived, I came home from work feeling good. I did notice that the house was strangely quiet. My wife didn't seem to be around, so I plopped down in front of the tv. When I turned it on, nothing happened. I discovered it was unplugged. I decided I better discover what was going on. I went through the house. Finally, I looked in my bedroom.

Angie had covered the bed with a tablecloth. She was lying on top of it, legs spread—bare-assed naked. A thin layer of chocolate frosting was slathered over her body from her neck to her knees. Written in white frosting on her stomach were the words, "Honey, here's a cake that likes to fuck!"

Angie smiled at me, but didn't speak. Her pussy looked delicious, so I gave it a gentle lick, just to get my first taste. Angie twitched slightly. The smell of chocolate filled my nostrils and I had never realized before how sexy it smelled. Very slowly, I started to lick the frosting away from Angie's sweet twat. Right then, she started to hum softly—something she likes to do when she is really turned-on.

I splayed her legs and licked the inside of her thighs clean, and she was humming so loudly by the time I finished. I dipped a finger in her chocolate-covered belly, then I spread the lips of her pussy and smeared the frosting down the inside of her slit. I ran my tongue up and down her puss until it was clean again.

I licked and lathered her several times until she was humping steadily against my face, then I moved up and concentrated on her clit. She humped me hard, smearing frosting all over my face. As I licked and sucked her clit, I started to finger her sweet nipples. Angie's breasts are her most sensitive part, and I

NASTY GIRLS, WILD MOVIES AND WEIRD SHIT! BROUGHT TO YOU BY THOMAS NEWTON

BREE OLSEN WINS MISS FREEONES 2010" CONTEST

Adam & Eve (*www.adamandeve.com*) exclusive contract star, Bree Olson, can add another title to her award-winning XXX career! The all-natural blonde beauty has been named "Miss FreeOnes 2010!"

Along with the coveted title of "Miss FreeOnes," Bree also received a 10,000-dollar grand prize (of which she is donating 1,000 dollars to AIM to help support the privacy laws, and 1,000 dollars to the Ft. Wayne SPCA).

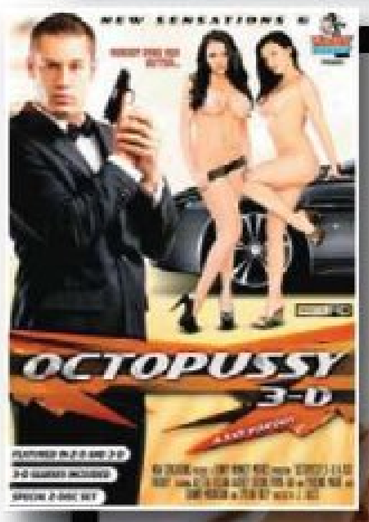

"Thank you so much to all my friends and fans for your votes," said Bree. "It means a lot to me to have your support...and to be included with stars like Lisa Ann, Eva Angelina and Sunny Lane is such an honor!"

Since January 1, 2010, nearly 200 models had competed for the title of Miss FreeOnes. With over 800,000 votes cast, the competition was fierce!

"The final week of voting was really tense for me," Bree continues. "I owe this win to my fans for pulling through for me!"

Second place in the competition went to Vickie Vette, while Lisa Ann came in third. For more information on FeeOnes, and a complete list of contestants, please visit: *missfreeones.com*.

FIRST 3-D FEATURE: OCTOPUSSY 3-D: A XXX PARODY

New Sensations and Funky Monkey Movies long awaited 3-D release—*Octopussy 3-D: A XXX Parody*— has been released, as this J. Lalls feature marks the first-ever modern polarized 3-D movie in adult filmmaking.

Displaying unparalled quality, the entire movie was shot on a 3-D camera rig invented by Lalls himself.

"I had several mainstream tech guys on the crew for this project that ensured we were up to par on the latest technology," said Lalls.

Since the market has not yet reached its potential for polarized 3-D porn, New Sensations and Funky Monkey Movies will initially release the movie in anaglyph.

"We shot the movie in a polarized format knowing that in-home 3-D capabilities were on the horizon," Lalls explained. "With Panasonic selling out of their 3-D tv's last spring, the future looks promising, but it just isn't at the point we need it to be for us to release the polarized version to the public. We are doing an initial release of a box set with both 2-D and 3-D anaglyph versions with a second polarized release at a later date when 3-D tv's have penetrated the in-home market."

Octopussy 3-D: A XXX Parody features an all-star cast including: Audrey Bitoni, Priya Rai, Phoenix Marie, Aletta Ocean, Danny Mountain and Dylan Riley.

The two-disc set includes a 3-D feature movie, two pairs of 3-D glasses, a 2-D feature movie, full motion menus, photo gallery and special iPod compatible format!

For additional information about *Octopussy 3-D: A XXX Parody* and to view the 3-D trailer visit the movie's official website: *www.octopussy3d.com*.

MAN ARRESTED FOR "UNDERAGE" LUPE FUENTES VIDEOS GETS A SURPRISE VISIT IN COURT

Carlos Simon-Timmerman, a fan from New York, was visiting his home country of Venezuela and was excited to find a Lupe Fuentes compilation DVD at a local flea market containing early movies and images of the then 19-year old star. Upon returning home on August 11, 2009—on a stopover in San Juan, Puerto Rico—*Little Lupe the Innocent: Don't Be Fooled By Her Baby Face*, among other DVDs, was seized by the United States government, and Simon-Timmerman was arrested and charged for what the government believed to be illegal possession and transportation of images involving minors–under the age of 18– engaged in sexually explicit conduct.

After spending nearly two months in jail and with a 20-year maximum prison sentence at stake—Simon-Timmerman and his public defenders were seemingly defeated.

Simon-Timmerman's fate seemed to be doomed without some way of finding production dates for Lupe's videos and photos. Via MySpace, the legal team contacted Lupe in hopes that her testimony could set him free. She immediately agreed and flew to Puerto Rico to appear in court on April 7th, 2010 to state her case in court— presenting evidence copies of documents showing her birth date, and dates of production for the *Little Lupe* DVD.

The prosecution, recognizing that its case had been completely discredited, moved to dismiss all of the charges against Simon-Timmerman.

DIGITAL PLAYGROUND UNVEILS A TOP SECRET MOVIE

Digital Playground finished wrapping their biggest movie of the year. *Body Heat*—scheduled to release in the fall of 2010—includes the following contract stars: Jesse Jane, Riley Steele, Raven Alexis, Kayden Kross and Katsuni· *Body Heat* also features: Mick Blue, Scott Nails, Tommy Gunn, Evan Stone and more. This was the first feature release for Kayden Kross as well as her first time working with all four ladies in one of the hottest all girl orgy scenes to date. *Body Heat* comes from acclaimed directors, Joone and Robby D., with this production being the biggest budget movie with Digital Playground for Robby D.

The movie, described as a cross between the *Hurt Locker* and *Ladder 49*, is sure to heat up the adult entertainment industry. In true Digital Playground fashion, quality was top priority—for instance: Hiring the best specialists in the field to depict real life action and drama sequences, including an intense bomb explosion that was filmed in downtown Los Angeles.

DOCUMENTARY ON BRITTANY ANDREWS IN THE WORKS

20097

AdultFYI.com reports that production has began on a feature length documentary on legendary adult film star, Brittany Andrews. The project is being created by producer/director, Alison Li, who intends to reveal an intensely heartfelt side of an industry that is largely viewed only for its heavy sexual content.

Sometimes It's Fun to Be a Porn Star, will follow the life of Michelle Barry, who later rose to fame in the adult industry and went on to be inducted in the AVN Hall Of Fame under the name: Brittany Andrews. The movie will also include a look into Andrews's childhood, while examining what led her—and other major porn starlets—to enter the adult industry.

In-depth interviews with Andrews will shine some light on what triggered her decision to retire from starring in adult films, and the porn industry's loss of revenue directly related to social media and the Internet. Andrews and her fellow starlets will open up about other subjects including their relationships with fans and the emotional battles associated with being viewed as sex objects.

"It's funny, because during production, since I began this with no knowledge of the adult film industry, she sometimes has to warn me about the things that I'm about to encounter while at the same time making it clear to her peers that I'm not a porn film producer," Li told Adult FYI.com.

Andrews will also serve as producer of the project alongside Li.

Right now, *Sometimes It's Fun to be a Porn Star* is scheduled to be released in late 2011.

TEAGAN PRESLEY TO MAKE DIRECTORIAL DEBUT

25727

One of adult's biggest stars, Teagan Presley, has accomplished just about everything she has set out to do inside the world of adult. One of her biggest ambitions was to eventually direct and now that dream is becoming a reality with *FemmeCore* — a five scene, high-end all girl movie she's set to star in alongside some of the industry's biggest names.

"I had planned on directing my first movie a few years ago, but things didn't work out as planned," Presley explains. "When we formed [our company] skinworXXX, I knew this was the best venue for me to make my directorial debut, and when the idea for *FemmeCore* came to fruition, I knew this was the perfect movie for me to do it with. It's going to be a much harder all-girl movie than most fans would expect, and we've cast some of the biggest stars working today. I am sexcited and know this is going to be a great movie."

Teagan will appear in all five *FemmeCore* scenes and joining Presley in her directorial debut will be Adam & Eve Contract Stars: Alexis Ford, Andy San Dimas, Celeste Star, Lisa Ann, Nina Mercedez, Monique Alexander and Juelz Ventura.

Presley went on to explain the look and feel of *FemmeCore* as she envisions it. "*FemmeCore* is going to be very dirty and much harder than fans are expecting. We are going to have a lot of anal, some very interesting and eye-catching scenarios and themes, as well as a few surprises."

FemmeCore will be released by Adam & Eve later in 2010. ♣

CI: I read that you were very "reserved" before you got into porn. What was it that enabled you to lose your inhibitions?

Diamond: Well, if you get the chance to have sex with a guy you have never met—in front of another man you never met with a video camera in his hand—after taking pictures spreading your pussy in front of another man you have never met—you kinda loose your inhibitions pretty quickly. I love it. I do different things on set and think, 'Hmmm, that was hot.' Then, I go home and practice it to perfection. I am no holds-barred at this point. I wouldn't have it any other way. I am grateful for what porn has done for me.

CI: If you could create the perfect cock to use for the sole purpose of your sexual gratification, what size and shape would it be?

Diamond: Well, not super long because I have a short pussy. I like some girth with a fat mushroomhead—that's really good for the G spot. And I love them rock-hard— although I love my dildos a bit more on the softer side. I will take any cock that 'cums' my way. I love them all.

CI: In *Mommy Got Boobs 4* (Brazzers) and *MILF Internal 8* (Pure Play Media) you do

scenes that involve squirting. Were you always able to squirt or was this a skill you had to develop?

Diamond: Years ago, in an eight-girl orgy, I made a girl squirt. It was the first time I had heard of it, let alone seen it. I was eager to squirt ever since. I wasn't able to until my first scene with Ramon Nomar. I was so turned on. He was beautiful and sexy and his gift is making girls squirt. I just knew I wouldn't be able to. We were fucking, and all of a sudden he fingered me and I squirted all over the place. I was shocked and excited. I squirted like, four or five times. Now, I squirt a little here and there when I'm really turned on. I think it's hot. There's no faking it, either.

CI: When you are shooting a scene, do you ever think about the fact that guys all over the world will be jerking off and fantasizing about you while they watch you in action?

Diamond: Oh, my God, yes! I love knowing men are jerking off all across the globe to my pussy. I also like knowing women are getting wet from my pussy. I'm getting wet thinking about it now. [laughs] My secret fantasy is knowing somebody is watching me doing

whatever, and is aroused and touching themselves, but I can't see it happening. That has always turned me on. That's why I love doing porn.

CI: You have one of the most amazing racks we've ever seen. Do you ever get tired of all the attention your breasts get in your life away from the camera?

Diamond: Oh, hell no! I'm an attention whore. I wear itty bitty tops all the time. I love watching a guy look at my big tits while he walks past. It's always funny when their girl is there. He's watching my tits, and she's watching him watch my tits, and I'm watching her watching him. I think it's hot.

CI: Your four-way with Nikki Benz, Lisa Ann and Ben English was one of the standout scenes in *Fly Girls* (Digital Playground). Were you all as turned on as it looked like you were on screen?

Diamond: Funny you should ask. I was moving from Dallas to Los Angeles when I found out I would be in *Fly Girls*. I about wrecked my car! I was floored to finally have the chance to work for DP [Digital Playground] and to star in a huge feature with all the biggest names in porn was the icing on the cake. I had never worked with Ben English, but I really wanted to fuck him bad. I had never worked with Nikki Benz, either, but was eager to. I had worked with Lisa Ann for our sites. So, I was excited about the chance to do it again. We were all on set for a very long time.

So, I had time to prepare my mind for it. I wanted to fuck Ben English so bad, that by the time we could, I couldn't even think straight. I had been watching the ladies and was turned on by them, so I knew it was gonna be hot. I turned into a hungry cock whore and it was all over. I thoroughly enjoyed myself. I have seen the video. I have to admit, I get off to it frequently. My emotions were real and they were strong, and knowing that just totally gets me going.

CI: Do you prefer multi-partner scenes, or would you rather go at it one-on-one when the camera is rolling?

Diamond: I will take as much dick as I can—pussy, too. One-on-one is good, so I can pay more attention to my partner. But, two guys really turns me on, too.

CI: It's rare to find an adult star whose scenes with girls are as hot as their boy/girl work? Did you get turned on eating pussy from the very first time you tried it, or was it an acquired taste?

Diamond: I have always masturbated to girls. I love good lesbo porn. I love when a girl is really into it and wants my pussy as much as I want hers. Nothing beats a soft, juicy pussy—except two soft pussies enjoying each other.

CI: Having sex without being married led to you getting an Other than Honorable Discharge [OTH] from the Navy. Can you share a bit about that story? Was it at least great sex that cost you getting discharged?

Diamond: Yes. I was 21, very pretty and single. I had been on a two-week leave, and didn't get laid! I went back to my ship, checked in, got slutted up and went to the base bar with my fuck buddy, and a friend with her fuck buddy. We all drank, left the bar [and] went to a hotel off base. I fucked all night. I was so horny, and I just couldn't get enough. My girlfriend had her fun, too. Well, I did it all night long. We all left the hotel the next morning to go back to work. I raced to get dressed and make it to muster. I made it. An hour later, my Senior Chief told me to go to the MAA (police) shack. Figuring it had to do with my leave, I trotted on down. They began to question me as if someone had been killed and perhaps I was a witness. To make sure they knew I had nothing to do with 'whatever,' I told the truth about every move I had made, including all the fucking—*in detail*.

They told me not to leave the ship. Well, 15 minutes before liberty, at 1615 hrs (4:15 pm), they handcuffed me in front of all my shipmates. I had no clue what was happening. They charged me with 17– yes—17 counts of sodomy! What? I don't have what it takes to commit sodomy! I was absolutely

horrified. In the ship's brig (jail) I saw my fuck buddy. He was there for the same. Long story short—in the military you cannot have sex if you are single—period. If you are married, it can only be missionary. Boring! Anything else is sodomy. So I said, 'Fuck it. Send me home!' Coming from a full military family, I was truly devastated. I wanted to serve my country, and the men on my ship. [laughs] Oh well. Here I am, a happy porn star now. So, now the whole world can enjoy me!

CI: On your website, you play even dirtier than in many of your DVD releases. Can you tell us some of the dirtier things we can see in your web videos and cam shows?

Diamond: I have a filthy four-girl shoot where we fuck each other with a huge black dildo. All the girls are 5'10" and taller. I am 5'0!" So, I dragged them in the door, calling them 'My bitches.' It was so much fun. It is definitely one of the hottest chick flicks I have been in. I am also producing and directing a DVD movie. It has an anal creampie and squirting done with my favorite partner, Ramon Nomar, a DP with Ben English and Mick Blue, and a crazy three-way sex scene with anal with Phoenix Marie and James Deen. There is also a three-way lesbo scene with Monique Alexander and Zoey Britton.

It is uber hot! The whole DVD has scenes that are off the hook for what fans are used to seeing Diamond Foxxx do! I picked only the best of talent for my video. I needed them to make me look good—and boy did they ever. It should be out very soon!

ANAL JUNKIES ON COCK 2

STARRING: Phoenix Marie, Dana DeArmond, Madison Parker, Jada Fire, Kelly Devine, Brandy Aniston, Summer Bailey, Sicilia Rossi, Vince Vouyer, Sean Michaels, Joe Blow, Chris Strokes, Evan Stone
DIRECTED BY: Vince Vouyer
AVAILABLE FROM: Vince Vouyer Unleashed

In what is being presented like a network crime show, director, Vince Vouyer, has gathered eight anal whores whose sexual addictions are considered to be incredibly anus! Unable to wean themselves from their backdoor addictions, these junkies are faced once again with their compulsion.

Without a doubt, the biggest junkie here is Phoenix Marie. With an uncanny ability to be twisted around like a pretzel, Evan Stone makes mince meat of her ass when he goes rummaging through her rump in the movie's hottest scene.

Following in at a close second is Dana DeArmond. Never one to shy away from a hard anal pounding, Dana lets Chris Strokes bury his sword deep inside her anus, yanking it out between sessions for a suck. Dirty girl!

Earning the bronze metal is Madison Parker. Despite her pint-sized body and angelic face, this girl is as addicted as they come—demonstrating her best work when being anally plowed in reverse cowgirl position.

The inclusion of Jada Fire is sugary sweet. Evan Stone—in his second go around of the show—seems to agree. With chemistry oozing, this pair makes a porno-sized impact in a heated doggie spread.

Kelly Devine is another stunner who shines in an interracial scene with Sean Michaels. Having worked together numerous times before, this duo understands the hotspots of the other and pushes them to pop!

★★★★★

EXTRAS: Vince Vouyer always goes all out on with his extras, and here is no exception! Not only are their the basic extras that one would suspect, such as stills, cumshot recap, and trailers represented, but he goes several steps further to include three additional POV scenes. But wait, there's more! Watch out for Kelly Devine's "alternate ending" scene that is quite shocking, along with scads more hardcore fun!

BRIANA EXTREME

STARRING: Briana Banks, Denice K, Aiden Starr, Sascha, Christian, Jerry, Mick Blue, Ben English, Marco Banderas
Directed By: B. Skow
Available From: Vivid Entertainment

After receiving thousands of fan letters with explicit instructions for private fantasies, Briana Banks picks her favorites and builds a movie around the desires of her fans. Indeed, it's a great concept that ends up becoming a skin show that Briana Banks fans shouldn't be without.

Although the first fantasy isn't too wild—a masturbation scene followed by hard anal sex—Briana does her best to set the scenario ablaze. She does so with the help of Sascha, who, in turn, waxes the creamy sofa with scads of her sphincter sauce that pours out of her butt between positions. Sticky!

She follows this up with a lesbian romp with Denice K. blindfolded and treated to both ends of a double-sided dildo, Briana and her bitch explode. After both ladies cum from tongues and toys, Briana continues the show.

Understanding that her fans come in all shapes, sizes, and abilities—Briana decides to throw her boys a bone by performing in a POV scene, whereby the men can substitute their body for the one fucking hers. Hot!

Next, Briana punishes three disobedient students in a classroom when she allows the boys eager horny to pump all of her holes at once, rendering her completely airtight!

Finally, Briana chooses to end the show with Christian when they team up to devour Aiden Starr, who's styled up to look exactly like a blowup doll! ★★★★

EXTRAS: Briana continues to explode when she takes on Bobby Vitale and Pat Myne in a bonus scene that is a great blast from the past. She also shines quite brightly in the BTS segment that is full of on-the-set fun and candid discussions with Briana and cast. As usual, look forward to a bank of hardcore images that are stacked in full and previews for more hot Vivid releases. It's a good time from end to end. Briana fans—run don't walk! ★★★

SISTERS OF SAPPHO 4

STARRING: Simony Diamond, Brandy Smile, Peaches, Adelle, Trixy, Angel Pink, Sorana, Mellie, Elisa, Eve Angel, Sensual Jane, Alison, Antonya
DIRECTED: N/A
AVAILABLE FROM: Lesbian Provocateur

With an explosion of beautiful foreign women, this all girl series really hits a homerun. In addition to 13 exquisite girls, expensive locations, and top-notch camerawork—look forward to incredibly hardcore lesbian sex that is brought to life by enthusiastic performers.

By far the best scene represented here is the one starring Eve Angel, Sensual Jane, and Alison. They go at it like dogs in heat and even include a fruit bowl into their sexual play. Think grapes rubbing against clits, and bananas being shoved into any open and available hole. Yeah, it's incredible!

The play between Adelle and Trixy is also quite stunning, especially when Adelle tries to masturbate Trixy with her pink panties. Their perfect porno bodies also add to the experience, but not as much as their hungry tongues that come out dripping wet.

Another notable pairing are cover girls, Peaches and Simony Diamond. They, too, choose to fuck outdoors. The sun glistening across their skin makes for the perfect setting for all the hot strap-on action that is to come.

Although many of the pairings include a blonde and a brunette for good measure—raven-haired beauties, Angel Pink and Sorana really stand out against their all white surroundings. With black hair being tossed around and assholes being stuffed with fingers, tongues, and toys—these girls prove that blondes don't necessarily have all the fun! ★★★★

EXTRAS: The extras are quite limited but do include really pretty images from the well-stocked photo gallery section. Three full-length trailers for more hot lesbian action—yet to be released—are also represented. It's worth a look, although the real crème de la crème is the feature attraction itself. Those 13 girls pack enough heat to keep the wind in your sail all day long! ★★★★

TEEN MOTHER FUCKERS

STARRING: Shayla Laveaux, Ally Kay, Nikita Von James, Kandi Milan, Raquel Devine, Lina Paige, Francesca Le, Skyla Page, Victoria Valentina, Ashlyn Rae
DIRECTED BY: Zander
AVAILABLE FROM: Vouyer Media

In an effort to expand upon the MILF craze that is sweeping the nation, director, Zander, has skewed the popular genre just a bit by pinning fresh-faced teens against a batch of well-seasoned mamas. The result is a hot lesbian production where teens and MILFs collide into wonderful bouts of hardcore sex.

Smoking hot in all of her scenes, Rachel Devine proves to be queen bee here when she gives Lina Paige a first-rate lesson in female fucking by sitting on her ass to pound her hole with a dildo. Hot!

Nikita Von James is another babe who decides to show Kandi Milan the ropes when she fucks her silly in a boxing ring. The girls look great—especially in the sixty-nine position—with Kandi demonstrating carpet-munching skills well beyond her years.

Also available to dole out a little after school punishment is Shayla Laveaux. When Ally Kay proves to be a little too disobedient, Shayla whips her into shape by sticking her tongue up her anus and a vibrator up her cunt for good measure! How's that for higher education?

Francesca Le also does a fine job of giving Skyla Page a thorough vaginal examination when she comes for her annual check up, while Victoria Valentina and Ashlyn Rae do their part to add more steam to an already hot shower. Together, they go at it like jungle cats amidst the warm waterfall. ★★★

EXTRAS: The bonus scene staring Kagney Linn Karter is an incredible inclusion to the production, especially when it includes plenty of vaginal play with a glass dildo. Also strong are the bank of production stills and the trailers for future attractions. The menus are also attractive and easily managed, while the widescreen option makes for more pleasurable viewing. ★★★

TRU: A XXX PARODY

STARRING: Ashlynn Brooke, Misty Stone, Gracie Glam, Vanessa Naughty, Lana Violet, Shay Sights, Lindy Lane, James Deen, Levi Cash, Johnny Castle, Bill Bailey
DIRECTED BY: Lee Roy Myers
AVAILABLE FROM: New Sensations

This murder mystery thriller—written by Ashlynn Brooke—takes place in Bon Temps, a sleepy Louisiana town that is running wild with vampires, mind readers, and other nuts that go bump in the night. With great sex and an entertaining storyline that keeps the viewer interested in the action beyond the hardcore, this movie delivers the goods quite nicely.

It begins with Johnny Castle banging the shit out of Vanessa Naughty in an all-white room. This girl takes to cock quite well and will certainly gain a new legion of fans based off this steamy performance and her overall wickedness.

Soon, the town is in mourning after the mysterious death of one of their own. Although sad, this doesn't stop Misty Stone from enjoying Levi Cash's rock hard cock when she shoves it up her chocolate pussy in missionary position across a bar top. Great!

The action continues with Levi Cash being supped up on vampire blood. He uses this aphrodisiac on Gracie Glam. The results are fantastic, with Gracie doing her best work in doggie position.

The following scene has Lana Violet, Shay Sights, Lindy Lane and Bill Bailey in a fuck lock that is quite nice, but clearly the star of the show is Ashlynn Brooke. She proves her A-List status when becoming a fang-fucker herself to suck off James Deen, her vampire boyfriend. Hot! ★★★★

EXTRAS: Because the extras are so extensive, a secondary disk has been included to accommodate them. It contains a fun array of bloopers, an extensive look at the making of the movie, a good photo gallery, and a cumshot recap option. Along with the trailers, the best part of the extras is an alternate edition of the movie called a "Party Version" that speeds through the storyline and gets to the sex quicker. The results are just as hot as the feature attraction itself, with the overall plot staying intact! ★★★★

I like when people watch. Like, we were at this party and everybody came over and started watching. I like that. So many porn girls like to be slapped and get their hair pulled and all of that. No, I like spanking a little bit [and] a little bit of hair pulling. I like to do it in weird places like in a car. I did it in a cemetery. I did it in the beach water. I like to go to places like the train tracks—that was fun. The one place I wanted to do it was like, in a cornfield, but then [I] went there and it was like, 'No!' I didn't know what I was thinking.

I used to have sex with this guy who watched horror movies while we would have sex. He wore a *Scream* mask one time while we were having sex, and that made it real intense because when you let somebody try different things and be creative with stuff that they like—the sex is better because they like it.

25244

EVIE DELATASSO:

I want to know that someone is watching me while I'm having sex, but I don't want to physically see that person. The idea that I know they're watching is hot. The idea of the voyeurism is there and it turns me on. It's all very mental for me

I'm really young now. Every time you think you know it all, you learn something new. I'm just really exploring so many new [things]—I mean, I'm just real-like, horny as hell. My hormones are raging all the time, so really any kind of sex is good sex to me.

You know, I really don't think that I have many. I like spanking, nibbling and stuff like that, but I don't want to say that I really like lovemaking because I like to fuck. CAMPUS CUM-EATER!

ONCE SHE'D BEEN SWEET AND PURE...OR WAS THAT AN ILLUSION?

"Look what I've done to Cindy," Tom thought, as the 18-year-old got on her knees to suck his merciless dick. She'd looked so innocent when she came into his pharmacy during orientation week on campus. Now, after only a few weeks with Tom, he knew how to get her to be his faithful cum-eater. (He also convinced her to get a nose stud and wear long eyelashes-little fetishes of his.) So, after all the loads he sprayed on her, is she innocent still? Does something protect the innermost core of a girl from the dirty spray of a bad man?

Tom liked to think of himself as bad. It gave him a thrill, as if he were a Viking berserk for plunder, except the "plunder" was freshman pussy. In reality, of course, he ran the local drugstore in a college town.

"At least her cute little shoes and socks still look innocent," Tom thought, as he tugged her lips apart and roamed her tongue with his tool. Yet, maybe those shoes wouldn't look innocent anymore if he ever shot sperm all over them?

Tom—Ravisher of Women—thought his sperm not unlike furniture polish. Whereas a polish removes dust and grime, Tom's jizz removed the oppressive veneer of false innocence and purity. No person on earth was ever pure, especially not women who could submit to dick like Cindy. Right?

And her asshole! He supposed it had possessed a chastity of its own kind, once, but now that he had plunged it so regularly and deeply, spreading his sperm in there like an evil jam...

"Yes," Tom thought, "It's appropriate that I wear leopard print briefs! I am a jungle beast!" Then again, Cindy does seem to be happy with him...

Such were the mysteries of life that Tom would never solve.♣

Before she met mister Nathan—a hot middle-aged gentleman who chatted her up in a bookstore—Madison was a sweet and scholarly girl, planning to become an English teacher. Mr. Nathan seemed friendly and harmless, and since he did know so much about poetry—one of Madison's great interests—she agreed to have coffee with him.

Yet, as they drank their cappuccinos, Mr. Nathan steered the conversation into other realms, speaking of Madison's untapped potential for exotic beauty. He explained that Madison had to break free of the shackles of her ordinary life and fulfill her destiny as a young goddess. The first step was getting some erotic boots, instead of the Uggs Madison wore. Intrigued by his enthusiasm, she agreed to a shopping trip at a bizarre emporium where the clothes were decidedly unusual. Madison felt strange and new when she strapped on those skyscraper platforms. It was just for fun, but once she felt the power and uplift, she agreed to some other purchases as well.

It's funny how it all worked out. Mr. Nathan, who was starting out as her mentor, and within a matter of weeks—ending up as her worshipful slave-obediently scooting across a room if she so requested in order to lick at her asshole that was revealed over tight, stretchy leggings. Not to

mention to lap at her pussy and pledge that he would turn over his credit cards to Madison so she could buy more boots, leather, PVC, latex and rubber.

Mr. Nathan had turned her into his young bitch in boots, and she loved her new persona. To prove how genuine the transformation was, she ultimately "booted" him out of her life and took lovers her own age. However, every once in awhile, she allows Mr. Nathan drop by for a quick, nostalgic taste of her anus.

After all, though now a bitch, Madison is not devoid of gratitude! ♣

WHAT MAKES YOU HARD, BABY?

BAMBI HAS A SYSTEM FOR FINDING OUT!

Bambi has a test for guys before she has sex with them. What do they see in the design of her stockings? You've heard of those ink blot tests that figure out what's going through a person's head? These stockings are Bambi's ink blots.

One guy told Bambi he saw ladders. She figured that meant he was a guy who liked to climb, so she let him climb his way slowly up from her ankles to her thighs and then she kept his tongue lapping at her shaven peach.

Another guy said he saw the Brooklyn Bridge. So, Bambi figured he was a sophisticated city dweller who knew all about kinky sex, and so she sat on his face and told him he was going to be her cunt-licking sex slave. But Bambi's analysis was a little off that time. The last thing he wanted was to be her slave, which she happily discovered when he flipped her onto her back and fucked the daylights out of her.

Yet another guy said the stockings reminded him of skyscrapers, and so she figured he was probably a movie fan who had seen *King Kong* many times. Kong, of course, climbed to the top of the greatest skyscraper of them all-the Empire State Building. So, Bambi tested this dude's movie knowledge with trivia questions, and every time he got a question right (for she was correct that he was a film buff), she let him touch another part of her body with his hands, tongue, or dick.

The last guy she tested recently saw highways in the design of her stockings. She pegged him as a wanderer, and in her mind, the most romantic type of all males. So, she had him give every hole a damn fine fucking before he split for parts unknown and broke her heart!

Blue Bird Films Presents:

INSIDE STORY

STARRING *Madelyn Marie, Linsey Dawn McKenzie, Gemma Massey, Asa Akira, Avy Scott, Dylan Ryder, Celeste Star, Isis Love, Krissy Lynn, Ashlyn Rae, Mallory Rae Murphy, April O'Neil, Tommy Gunn, Tony DeSergio, Rocco Reed, Chris Johnson, Anthony Rosano*

DIRECTOR *Marc Twain*

AVAILABLE FROM *Bluebird Films*

Extra! Extra! Read all about it! There's a sinister movie producer on the prowl who transforms wholesome young ladies into nymphomaniac Hollywood starlets! Oh, the humanity! Keep a close eye on your women and lock your doors tight for the streets of Los Angeles may never be the same again!

This is precisely the type of world and scenario created in director Marc Twain's, *Inside Story*—his latest sexual thriller for Bluebird Films. Through stellar locations and enviably costuming, the glamorous golden age of the 1950's is recreated to perfection. Here, Linsey Dawn McKenzie—a key journalist—goes in search of the infamous Toni Fitelli (Tony DeSergio), a notorious film producer that plans to change the look of cinema—one face at a time.

Will he succeed with his plans? Or will his attempts for cinematic domination be ripped wide open, just like Linsey's skimpy top, to make headline news? You'll just have to read on to find out.

The story begins at a bustling newspaper company when Linsey Dawn McKenzie storms into Rocco Reed's office asking for permission to expose the story of a lifetime. Without adequate proof to convince him that the story is juicy enough for his readers, Linsey is forced to go out into the streets of Los Angeles to dig up the dirt for herself. As she steps out of his office on a mission to uncover the scandal, Asa Akira—Rocco's sexy Asian secretary comes in. Looking like a walking felony in a pencil skirt, garter belt and red stockings, Rocco has no choice but to stand tall and take notice—especially when she's bent over his desk.

"Linsey will do anything to get her hands on that story," Rocco says to Asa as a way to break their silence. Asa smiles at him and reaches behind him to lock the door. Apparently, that was all that was needed to break the ice. In a way that seems the norm for these two—like office coffee and donuts—Rocco picks Asa up by the ass and slams her down onto his desk. He runs his cock against the inside curve of her red stockings then pulls her panties to the side. She opens her legs wide and locks her gloved hands around his neck. Scooting to the edge of the desk, to make her hole more accessible, Rocco dips his dong inside. "I've wanted to fuck you all morning!" Asa growls, as Rocco continues to hammer her.

After several minutes in this position, and noticing the pussy puddle that's collected around her wanton, Rocco goes down for a taste. With loud slurping sounds, he obviously approves of her sticky soy sauce. From here, he bends her around the desk in standing doggie position and cock slaps her ass before continuing to pummel her pussy even harder than before. "Fuck yeah, you know how I like it," Asa continues to scream.

Fucking all over his office, her moaning ensues, as well as several positions being played out on his couch before he showers her stomach

with sprays of his company ink. What a start!

Getting a lead for her story, Linsey heads off to a diner to talk with a cute waitress about what she's heard on the streets. Revealing pertinent information about the case, the two ladies are momentarily interrupted when two disgruntled patrons are heard loudly, complaining about the slop they've been served instead of actual food. Insulted by their rude remarks, Tommy Gunn—the cook—rushes out of the kitchen with a score to settle. His aggression quickly manifests into sexual tension when he notices the two sets of tits staring back at him. Instead of continuing on in the shouting match, Tommy simply offers the ladies another type of meat to fill them up. The girls only act coy for a split second before Tommy whips out his Italian sausage for their approval.

Once enticed, the girls lower themselves on the vinyl bench seat and secure their mouths around his meat. Isis Love takes to his nuts, curling them around her palm like those stress reliever balls, while Krissy Lynn fully hogs his mushroom tip. She sucks so hard, in fact, that the corners of her cheeks collapse in the middle! "Krissy, give me a turn to suck, too," Isis whines, pulling the dirty blonde off his boner so she can have a lick.

Now in the more dominant position, Isis takes a seat on Tommy's lap and rides his meat like a maniac in cowgirl position. Making herself quite useful, Krissy grabs Isis's hips and helps to smack her down onto Tommy's cock for good measure. "Now that's how you do it!" Krissy corrects.

"Krissy, it's your turn to continue on in reverse cowgirl," Twain directs, as the cameraman is forced to zoom out in order to get both of her bouncing tits in his viewfinder. Once in place, Krissy starts her engine and doesn't stop until both sets of legs and Isis's tongue are covered in she-jizz. The pop happens fairly soon after that, covering both cupcakes with Tommy's homemade gelato. Sweet!

When the fuckers conclude with their interlude, the waitress informs Linsey that she knows a brilliant detective that might be willing to help—for a small fee. Linsey jumps at the opportunity and races to an abandoned warehouse where she discovers the sexy detective, Celeste Star. After some playful banter and the revelation of Fitelli's plot to transform girls into Hollywood sirens through invasive plastic surgery—Linsey begs for an appointment to see Fitelli in action.

Celeste agrees to make the appointment under one condition…cue the cheesy porn music! With their sexy red lips welded together into a permanent kiss, the girls tear into each other with purpose. In a matter of moments, skirts, shirts, and scarves are flying around in every direction, revealing more sexy garters and stocking underneath. Now spread across the inside of a classic convertible like butter on toast—the girls take turns eating out each other's beaver.

Although Celeste sucks one helluva pussy, Linsey really stands out in this sequence by arranging Celeste in pile driver position in the front seat to fill out her hole with a thick blue toy. "You like that, baby?" Linsey sizzles in an incredibly hot English accent, while Celeste just dribbles and coos with delight.

Celeste eventually gets her turn to shine, when plugging Linsey's English muffin with another slippery toy. "Now it's your turn to take my cock!" Celeste screeches, as the power noticeably shifts. The girls end here, with soggy pussies, smiling faces, and an appointment to see Toni Fitelli.

Once Linsey steps inside Fitelli's Hollywood mansion, she is completely dumbstruck to discover celebrity look-alikes: James Deen (Chris Johnson), Carmen Miranda (Madelyn Marie), Elizabeth Taylor (Dylan Ryder), and Marilyn Monroe (Avy Scott) frolicking the halls. Could the scandalous rumor be true after all? All evidence would point to yes, but, what about the alleged nymphomania?

The answer to that second question soon mate-

StarMags.com

"ALTHOUGH CELESTE SUCKS ONE HELLUVA PUSSY, LINSEY REALLY STANDS OUT IN THIS SEQUENCE BY ARRANGING CELESTE IN PILE DRIVER POSITION IN THE FRONT SEAT TO FILL OUT HER HOLE WITH A THICK BLUE TOY."

rializes in front of Linsey's eyes as both sets of Hollywood wannabes grab a partner and go at it like dogs in heat. Madelyn relieves herself of her fruit-filled headdress and inches out of her Mardi Gras-looking costume. Now naked and gorgeous, she yanks Chris's Johnson from his jeans and begins to wrap her lips around his shaft. He grabs her by the back of the head and watches her mouth round and her eyes bulge as he cock descends down her throat. "You look so hot with my cock in your mouth," he compliments, as she reaches her hands underneath to give his balls a friendly squeeze.

Meanwhile, the sight of these suckers has got Dylan and Avy all hot and bothered. Dylan lunges towards Avy, plucking her incredible natural tits from her white halter dress to funnel the pointy nipples into her mouth. Avy grabs both of her boobs and squeezes them around Dylan's face for a little tittie feasting. When allowed to come up for air, Dylan tilts Avy's head back and plants a sloppy French kiss across her lips. Apparently, she approves of Avy's punishment. Soon, Dylan is zipped out of her black gown, where Avy begins a thorough tongue bath session that begins behind Dylan's neck and ends on her gorgeous gash. "Oh yes, fill your mouth up with my sweet pussy juice," Dylan continues to cry out.

Watching Avy play between Dylan's legs has Chris eager to dabble between the thighs of Madelyn Marie. He goes in for some spring cleaning of his own, eventually taking Madelyn hard when he twists her around a loveseat for some standing doggie action. With a welcomingly wet pussy, Madelyn delivers Chris exactly what he is after—a warm place to hide his hodge! After several minutes of this—because Madelyn likes it so much—she transitions into cowgirl position. Now face to face with her lover, Madelyn releases her inhibitions and really goes at it in full force until she snaps, crackles, and pops! At the exact moment that Avy makes Dylan cum in the sixty-nine position, Chris also spreads his loving seed across Madelyn's humongous hooters. It's hot!

With more fucking, sucking, and scandal still to come, Linsey stays at the mansion for a while longer. Eventually succumbing to the sexual lifestyle of the Hollywood elite, she has a few more sexual experiences of her own. What she also stumbles across is Fitelli in action, when he hosts a four-way orgy in his bedroom that has scandal and intrigue written all over it! Could Ashlyn Rae and Mallory Rae Murphy, the clams in the four-way fuck dip, be the next girls in line to receive the infamous Fitelli facelift? It's all front page news in *Inside Story*. Your going to have to pick yourself up a copy the next time you're out and discover what Linsey Dawn McKenzie uncovers next! ♣

The Write STUFF!

(continued from page 6)

knew she would cum soon after I started playing with them.

As soon as her nips were hard, I licked my way up her belly and started sucking the chocolate off her tits. I took one boob in each hand, letting the nubs stick through between my fingers. I squeezed her buttons by flexing my fingers and licked them at the same time. She couldn't help herself and just went wild.

When I was sure she had cum as many times as possible, I climbed off the bed and slipped out of my chocolate-covered clothes. I swung her around so that head hung slightly over the edge of the bed. I started to massage her upturned breasts again. At the same time, I wiggled my stiff cock across her lips. Her tongue slipped out and lapped at the end of it. She leaned her head back a little more, then sucked the end into her mouth. With her neck straightened, she was able to take all I had, and my balls banged against her forehead with each stroke.

I was stroking away slowly, so I had time to rub some frosting around the shaft each time I pulled back. Her warm, wet mouth soon had me turned on and I sped up, rapidly stroking in and out of her wet lips. She responded by sucking harder, flicking her tongue across the head each time it moved in and out. Angie made loud sucking noises as she worked on my thick rod.

My cock soon felt as if it was going to explode, but I still wanted to fuck my wife. I concentrated on holding my orgasm as long as I could, so I motioned for Angie to flip around on all fours and then took her doggie style. Each time my cock plunged into Angie, her ass sailed up to meet it. She then began to ram her ass against me harder and faster. I felt her cunt tighten around my cock. She came a few seconds later—her whole body quivering. I came heartily as her puss was still tight around me, squeezing every drop out.

It turned out to be the best birthday I ever had and I never appreciated my wife more. After all, it's not easy to find a birthday cake that fucks. Let's just say, I added my own very special frosting to the cake! ***–Jake V. Toledo, OH***

ASS YOU LIKE IT

Alan was the first man I'd ever allowed to fuck my asshole. Oh, plenty of other guys had tried, but I had a zillion excuses: "It won't feel good," "Aren't my mouth and pussy enough?" "There's something unnatural about putting your cock in my bung!"

Yeah, I had plenty of negatives all right, but they were all bullshit, and on some level, I knew it. The bottom line was that I was frightened. I'd experimented with plenty of kinks: Role-playing, using artificial 'accessories,' mutual masturbation, etc—and enjoyed them all, but getting it up the rear just felt so...taboo.

I can't tell you how many times (while fucking doggie style) one or another of my boyfriends would pull his lubed-up cock out of my pussy and begin working it between my parted asscheeks. Sometimes, if I were reallly horny and just on the brink of cumming, I would let a cock get maybe a half-inch of the way in before either pretending it hurt or simply squeezing my buns together real hard, so that the guy's fat, red glans just popped right out of me.

Now, in moments of deep introspection, I realize what my reluctance was all about. You see, I was always insecure. I don't know whether such feelings arouse in spite of, or because of, my stunning good looks. In college I was always the most sought-after date, and often found myself cornered in the backseat of some car, being asked to do things I wasn't emotionally prepared to do. Not that I was a prude or anything, but I wouldn't let anyone eat me out, or put a tongue in my asshole, nor would I give rimjobs since I rarely sucked cock. It seemed as though men wanted to take advantage of me, as though they were waiting for me to put myself in a vulnerable position. I viewed my ass as my soft, white underbelly—approachable only from behind—my blind side. So, I guarded my rear with inhibitions and kept it all to myself.

That is, until Alan came along.

He was so different from all the other men I'd ever dated. He was shy, yet possessed of tremendous self-confidence. He was passionate, but didn't try rushing me into the sack. To the contrary, we spent our first date just getting acquainted, talking the night away. By dawn, I was ready to feel his hands on my body, wanted him to grab my thighs and ass, wanted to feel his lips and spit and tongue on my tits and cunt and everywhere else. But, it didn't happen—not then. "We're both tired," he said. "And I want our first time to be special. Will you see me tomorrow?"

The next evening we had an early dinner, and then it was straight back to my apartment. We'd hardly gotten through the door and our clothes were dropping like bombs in a war zone. In moments, we were in bed.

He was tender, loving and took his time—touching me all over before putting his cock into my impatiently waiting hole, but the truth is that that night I didn't need or want foreplay. I hungered and was ready for some serious fucking.

"Fuck my ass, Alan! Fuck my ass!' The words came out of my mouth faster than my inhibitions could catch them. Now, suddenly, I wasn't afraid to feel so intensely vulnerable.

I started to roll onto my belly, but he stopped me and said that he had a better way. He then propped my ass up on a couple of pillows, slung my legs over his shoulders, pulled my thighs apart as far as they would go, and entered my tender, virginal shit-chute with a single, bold thrust. His cock was hot going in, and then I felt a sudden frothing wave of distilled pleasure flood my rectum and wash the rest of my body in tingly rushes that rolled into my cunt from behind and broke against the jetties of my heaving tits.

He was humped over me, sucking my nipples as though they were fruits with a few fingers in my cunt. I groaned and gurgled as I held his churning asscheeks in the palms of my hands. I watched his thumb twang my clit and his fingernails vanish in my dripping box. I was wrecked with a half-dozen orgasms every time he pulled his backslammer out of my anus—then drove it back in. Then there was a hotter, slicker heat slithering up my ass, and I realized he had cum inside of me. His seed shot as far as it could go, then hit a fleshy wall and doubled back. It poured over my cheeks and spilled onto the pillows. I mashed my rump against his balls and I wanted all the juice he could squeeze out. Somehow, he stayed hard and fucked me a second time. It was magnificent.

Alan and I are still together, and assfucking has remained a staple of our sexual diet. We have an open relationship, and both occasionally go out with others, but my ass is reserved for Alan—ass it should be! ***–Dahlia P. Milwaukee, WI*** ♣

DIRTY WORDS

SATURDAY NIGHT FUCKING FEVER

I get off on reading about the erotic encounters of your readers. It makes me feel young and virile again. I'm 58 and still horny, but unfortunately don't get as much pussy anymore as I'd like. I would, however, like to relate the hottest episode of my life. Whenever I'm horny or lonely, I think of it and it makes me happy. Even though it happened a long time ago, I figured your readers would still get a thrill out of hearing about it:

Back in the day, I was really into the disco scene. Since I lived in New York City, I had my choice of the best discos in the country. One hot Saturday night, I put on a show in the middle of the dance floor that will live in erotic infamy.

I was really horny that night. I'd been in the club for about half hour when I saw this one really hot babe. Tall, big-boobed with long, black hair tied in a ponytail down to the small of her back. All she was wearing was silver spiked high heels and a skirt (also silver) so short I thought at first it was a pair of hot pants. Her blouse was made of some kind of metallic net—and underneath it were two of the most beautiful melons I'd ever laid eyes on.

"I don't know how long we fucked, but when I finally came, it was one of the longest orgasms of my life."

I watched her dance a couple of numbers and that woman certainly knew what she was doing. When she got out there, she'd shake it so hard that first one boob—then the other—would pop right out of her blouse. She'd look around to see who noticed, then pretend to be embarrassed and tuck them back in. Two minutes later, she'd throw them out again, and go through the whole game once more.

After watching for a while, I decided to move in on her. I sort of eased my way onto the floor and started dancing, not exactly by myself, but as if I was dancing with everyone. Then I realized that was what she was doing, too. She didn't seem to be with anyone in particular. Our eyes met several times, and we began to causally zero in on each other. That's when she made sure that both her tits fell out at once. Well, I just started rubbing up against her until I thought I'd shoot right there in my tight designer bell bottoms.

"Linda. What's yours?" she began, before I could even ask.

"Bud," I told her, without missing a beat.

"Kind of dull here tonight, don't you think?"

I agreed. "Well, it was—till just now!"

I still remember the moment vividly. The music changed to "Do It To Me One More Time," and she nodded as if that's what she'd been waiting for. She unbuttoned the two buttons of her blouse then started to slip out of it. Slowly, to the music, she got it off, tucked it in her belt loop, and went on dancing topless, like nothing out of the ordinary had happened.

Following suit, I took my shirt off and tucked it into my belt. Very slowly, we moved toward each other. In a minute, I could feel her hard, little nipples rubbing around in the hair of my chest. This lady knew exactly what she was doing.

We ground our pelvises until I thought I could take her on the spot. It was incredible. She must have been reading my mind. She smiled and started to unfasten her skirt. I just stared at her—hypnotized. I unbuckled my belt, unzipped my fly, and glanced down. The head of my cock was peeking out over the top of my bikini briefs, and dribbling all over the place.

Then, she opened her skirt and threw it over her shoulder. All I could see was this beautiful, black bush. It was soaking wet,

and the wetness wasn't all sweat. I moved forward to rub my cock into it, but she pulled back. She said, "You've still got clothes on."

I don't know how I did it, but somehow—without ever stopping dancing—I pulled off my boots and socks, then my jeans and shorts. As I was barefoot, and she in her spike heels, we were both the same height. So, every time we moved in, my cock would poke between her legs. I kept poking her and poking her—in time to the music. Each time I'd penetrate those sticky little cuntlips a little deeper, but only for a second or so at a time.

Then we started grinding our pelvises together again. But, she kept wiggling in such a way as to keep me from getting all the way in. It was driving me crazy. "About another minute or two of this, and I'm gonna shoot all over everything," I warned her.

"That would sure be a waste," she said, wiggling even faster, and squeezing my prick between her thighs. "Why don't you fuck me?"

"That's what I had in mind but—"

She stopped me, and her dancing, stood perfectly still, and said, "Right here!"

I was so crazy to shoot off by then, that I just nodded and pulled her down to the floor. I was inside her in nothing flat. It was a weird experience, with the light show spinning around us, and the sound of the music reverberating through the floor, and seeing nothing but all those feet dancing around us. Man, it was a trip!

I don't know how long we fucked, but when I finally came, it was one of the longest orgasms of my life. We both got dressed and literally danced away from one another. The damnedest part of it all is that everyone was into his or her own thing, or just didn't give a shit. That was the disco era in a nutshell!

Thanks for letting me relive this experience. I hope your readers get a kick out of it. I sure did—and always will! ***–Bud H. Monticello, NY***

COCK FOR BREAKFAST

Dear Club International,

Sometimes it's the little things that drive guys crazy. Mario and I had just fucked only a little while ago, and I got up to make coffee. The morning sunlight streamed into my kitchen and warmed my naked body as I filled the pot with water and took out the Instant Monkton House.

Yes, that's right, instant coffee. I'm a busy girl with a head for business, (I run my own t-shirt company) but little patience for cooking. Instant does the job for me, and I expect it to be enough for my man.

I didn't realize Mario was standing behind me until he slipped his hands around my waist while I scooped out two spoonfuls of the java. His hand slid down my belly to the top of my pussy, and just held me there.

"Even just watching you make coffee gets me hard," he said, kissing my neck.

"No kidding." I squirmed my butt against his already leaking boner.

"I hear that Monkton House is rated as the best instant," he said, moving his hands to my boobs and squeezing them gently, work-

ing the nipples between his lengthy fingers.

"I wouldn't serve you shoddy instant, Mario." I knew that he took his with two sugars, so I scooped that into his mug. Then I turned around and we kissed, his hard cock against my mound.

"I think the water is boiling," I said after a minute, reluctantly sliding away my lips from his.

Mario stepped back. "Let me watch you finish the process." He was a freelance photographer, and he framed me between his two hands as I poured the water into the cups. "Nice shot."

"Your coffee, sir." My tits wobbled as I handed it to him. I looked down and saw how hard my nipples were.

"Thank you, Miss."

We went back into the bedroom. Mario had tuned the radio to some mellow jazz. We sat on the bed sipping our coffee, looking at each other. I ran my fingers over Mario's chest, then lower down and took his cock in my hand.

"Here is a picture of a manly man drinking java," I said, squinting my eyes like I was visualizing a photo.

Mario took the cup out of my hand and put it aside on the nightstand with his. "They're right," he said. "Monkton House is the best instant."

"I'm glad you're pleased."

"And now I want to please you, you sweet pleaser."

He leaned me back on the bed and took my right nipple in his mouth. Still hard, it felt very sensitive, and soon, his hand cupped my drenched pussy.

"Does it turn you on making coffee as much as it turned me on to watch?"

"Strange, isn't it—that the simple things do it for us, sexually."

"When you're hot for each other, you can read the phone book together and get off."

"No shit, Mario..."

I pulled him up to my face and we kissed again. I loved the feeling of his hands roaming my body. I lifted up my feet and caressed the back of his legs with my soles. His cock was pressing against my pussy, but it wasn't inside yet. It didn't seem like he was teasing me, though—it was just nice and secure, lying together like this. However, when I felt his balls against my inner thighs I started thinking about his cum and I wanted him inside.

"Baby," I whispered, "Don't be mean."

"I'm not."

"You are—you're making me ask. Didn't I just pour you a nice cup of Monkton House? Give me that cock."

"The least I could do, huh?"

"The least, baby."

WIth the roguish smile I like so much, Mario reached down for his cock. He parted my lips with one fast, deep squish.

"Yeah, give it to me again," I said, my nipples like red stones. "I want my breakfast!"

And that was exactly how we did it: Lying close—he on top—pumping his cock fast and hard. It was exciting, yet cozy—a perfectly good Sunday morning fuck.

I could see the steam from our still-hot coffee rising from the cups. My pussy was drenched and kept his dick close. I looked up and over his shoulder as he plowed back and forth, and from that angle, I saw my feet with their polished toenails cross over his back. I don't know why, but that made me go over the top—my polished toes and his cock in my cunt.

"Oh, jeez," I gasped, "don't stop! Don't stop!" As if he actually would. I came like crazy a few moments later, squeezing his dick with every inch of me, pulling the climax out of him, until he shot his cream deep inside.

Yup, when things go right, two people click—like coffee and...er...cream!

—Satisfied on Sunday, Atlanta

"Oh Jeez, don't stop! Don't stop! As if I actually Would."

STROLLING DOWN FETISH WAY

Today's woman has to be prepared for all sorts of sensual experiences. In a world saturated by ultra-sophisticated media which broadcasts erotic possibilities that previously were spoken only in whispers, girls like Denise know that the ante has been upped as far as what a female is expected to know, understand, practice, and in cases of the truly bizarre—perhaps simply tolerate.

In bygone days, when a woman was confronted with a foot fetishist, she was allowed to squeal, "Eww, gross!" and call a cab. Now if she does that, she's regarded as a Neanderthal; at least in the more hip enclaves of major cities worldwide.

Denise learned this through experience. She never realized that her shapely legs, clad in the alluring softness of her nude-colored nylons, could profoundly affect people whose horny focus is concentrated below the pussy. She thought she was just dressing sexy.

However, what Denise learned through a relationship with a bold-spoken and unashamed foot lover, was that she was unwittingly giving signals to people who wanted to worship her legs and also to those (like the foot lover) who yearned to remove her heels and peel away her stockings in order to encounter with his mouth the wiggly joys of her French pedicured toes.

So, she learned. She learned to give her toes to this fetishist, and to give her a show wherein she sucked those digits herself for his delight. And as she got more experienced, she welded her own needs for exhibitionist display to the hungers of her foot freak, letting her savor the terrain of her soles as she simultaneously penetrated herself wantonly with a dildo. In gratitude, she would then lick her anus. Yes, the possibilities for pleasure in our era are matchless for open-minded gals like Denise who are slow to judge—and quick to learn! ***–Joey B. CREAMPIE FROM A PIANIST

Dear Club International,

Monday mornings are a drag. It's hard to get started on my office job in front of a computer terminal. So I go to the ladies room, lock the door, and sink into my fantasies for a little while. A mental mini-vacation in the stall courtesy of my imagination and clitoris does wonders for my productivity at work.

Last Monday I had it easier than usual stirring up a fantasy because I'd seen an extremely handsome man over the weekend. Roderick was on a concert pianist that my sister—the classical music buff—admired. She was in town and heard he was performing close by. I was prepared to be bored, but when Roderick came onstage, he didn't look nerdy or dull like the pianist stereotype I had in mind. I could tell he had a strong build under his uptight concert clothes. He looked more like a movie star—or a porn star even—than any longhaired musician I'd ever seen.

Back in the office the Monday morning after the concert, I made my usual trip to the restroom and sat on the toilet and imagined all the wonderful things that hadn't happened_like going backstage after the concert and meeting Roderick, and telling him how much I'd enjoyed his performance, and how maybe he'd even gotten me hooked me on classical music at last.

"Really?" I fantasized Roderick saying, "Maybe you should come over to my hotel suite tomorrow afternoon for a private concert?"

"I would really like that," I imagine saying.

Roderick's suite (as I pictured it) is full of light and very nicely furnished. But, out of his concert monkey suit, he looks like a surfer! That's because he was only wearing a t-shirt and shorts now. "Traveling the world and performing concerts is very taxing on the body, Gerilyn. I have to keep in top shape." And then I imagine him allowing me feel his muscles.

"Shall I play something for you now, Gerilyn dear?"

"Yes, Roderick. I'll sit on the couch. You play away," I say.

As he performs at the grand piano, I get swept away. He plays something passionate by Beethoven and Roderick looks very sexy and dramatic playing it. So sexy, in fact, that I couldn't help to lift my skirt and stroke my pussy. Roderick notices and smiles, although he continues to play. Then, suddenly he stops and comes to my side on the couch.

"I've never had someone review my playing by masturbating," he says. He then lifts my blouse and fondles my breasts. "A good review, hmm?"

"I'll show you just how good a review it is, Roderick," I say. In a whirl of movement, (which is possible when it's just happening in my fantasy!) my clothes are off and so are Roderick's and I begin tugging and blowing his large cock.

Roderick's rod tastes so good—salty and hot against my tongue and inner cheeks. Suddenly, Roderick snaps his fingers and more intense music by Beethoven starts playing automatically on the suite's stereo system. I never gave anybody head to classical piano music before, but I liked it—even in my fantasy. Roderick pulls off his t-shirt and pants and I rub my hands on his chest while I keep sucking. Then I stand up, tear off my clothes, and climb on top of his meat with a wet pop into my pussy. The music swirls all around us, very romantically.

"My first pianist," I whisper into his mouth as I kiss him.

"But not, I presume, your first penis?" he replies with a naughty expression. I like the comment; it makes me feel like a nasty slut, something that always turns me on. And so I fuck this talented longhaired pianist (who, in fact, had normal length hair in real life). He fills me so beautifully, holding the cheeks of my ass. I ride him faster and faster until finally the juices are bursting out of me and wetting every inch of him. As I come on his dick, he watches with a self-satisfied smile and then shoots his stuff inside me, which makes me cum all the more.

Then, back to the real world, I return from ladies room stall at the office, my fingers drenched and my thighs trembling! It's a good thing we can lock the door and the toilet only holds one person at a time! When I'm fantasizing, I can really forget where I am. I tear off a piece of toilet paper and wipe my slit and felt instantly better. Now, Monday morning could start.

However, the first thing I did when I got back to my computer was check Roderick's concert schedule. Maybe the next time he was in town I could bring that fantasy to life?

PLAYTIME!

Our new contributing editor, Ivy O'Neil reviews sex toys while still trying to concentrate on all her other work!

SEXY INSTRUCTRESS!

Recently, my occasional bed-buddy, Brick, and I had a disagreement and broke up for a little while, and so in the meantime, I went out with some other guys I met around town. One guy named Tim was nice but very shy; so shy he was afraid to hold my hand! So, I took him to my apartment and told him to strip naked. He was nervous but excited to follow my suggestions. Then I went into my closet and took out my Shane's World College Party Doll—just one of the interesting items from Cal Exotics that I get to review for this column. I sat Tim down on the sofa and put the College Party Girl in his hands. With its four-color face and three love-holes, it was the perfect mentoring assistant! Meaning, I was the mentor, and the College Party Doll assisted me. As it says on the box, she likes to be a sexual tutor! I told him the practice he'd get with the CPD (as I called her) would relax him for *me*! I supervised, while Tim kissed the CPD, fingered its pussy, put his cock in its mouth, and even paid a visit to its backdoor. Tim was so aroused that he shot off all over the CPD's smooth PVC thighs. I told him it was okay, though, because now we were going to take our time while I showed him how to make love to ME! Tim and I have since concentrated on each other, but every once in awhile, I get out the CPD just because I like to see him put his cock in it! I think I'm a real girl-perv, don't you? Anyway, the CPD is good for bachelor party antics as well as private tutoring, so look for it in the Shane's World section at *www.calexotics.com!*

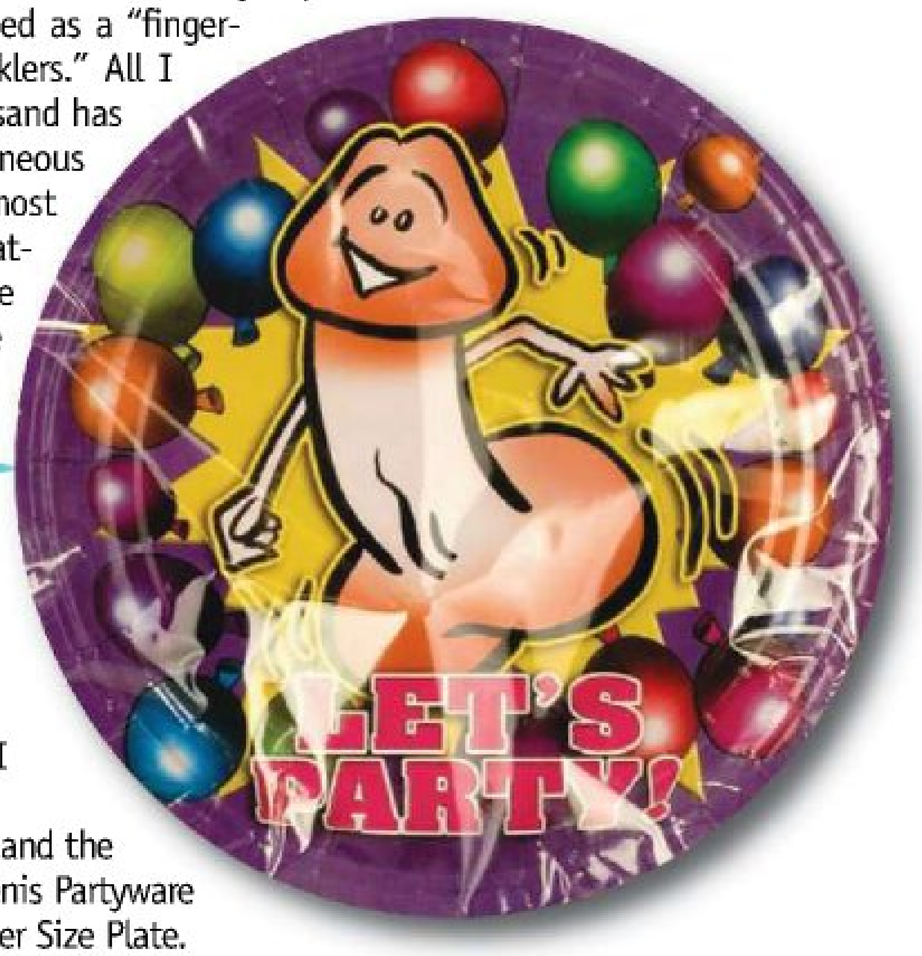

SUBMIT TO THE LOVE MACHINE!

I've told you of my bi-curious adventures, but let me share now about an unfulfilled fantasy. I want to submit to a beautiful blonde woman in a white lab coat. I want to be laying naked on a medical table, playing with my tits and pussy while she stands over me and tells me I should move my hands aside and let science take over! Then she would introduce me to her "love machines."

You see, I had forgotten about this fantasy until I came across the Dr. Z Nipple Pleaser from *www.calexotics.com*. It's a very bizarre looking device that aims to give a "total body experience" with its suction and vibration from what are described as a "finger-grip pump" and two "micro-stimulators with soft Jelly ticklers." All I know is that this contraption-which uses six watch batteriesand has "quick release purge valves" and a "Y-converter for simultaneous vaccum control" really sounds like something out of my most intense female mad scientist sex fantasies! I have masturbated already three times just looking at the box of the Nipple Pleaser. Hey, I want to "experience" it, too, but first I have to find a blonde in a white lab coat!

LOOK AT THE HAPPY COCKS DANCING!

Speaking of parties, I recently went to one of the bachelorette variety, and I knew the night was going to be wild when the tables in the restaurant's private room were covered with table-cloths decorated with happy, dancing cocks! I asked the girl who organized the party where she got those cloths, and she said she'd been looking up some of my other "Playtime" suggestions at the Cal Exotics site (she's a reader of our magazine) when she stumbled on the Let's Party Happy Penis Partyware Table Cloth in the "Gag Gifts & Party Favors" section of the site! Well, I wonder if I should tell you what went on in that party room later that night...

There was a male stripper...no, there were two male strippers, I think...and a lot of tequila...and the bride-to-be was-if I remember clearly-jerking off one of the strippers into a Let's Party Happy Penis Partyware Napkin...and I think she aimed his spurting mess onto a Let's Party Happy Penis Partyware Dinner Size Plate.

It only goes to prove that showing females even cartoons of cocks can be a recipe for wildness- especially if we're downing tequila shooters! Go to *www.calexotics.com* for your own partyware and see if it makes your girlfriend go cock-crazy!

Well, dudes and dudettes, that's it for this issue! Follow your Pervy Ivy's suggestions and have yourself some memorable Playtimes tonight!

BIRTHDAYS ARE FOR BOFFING!

WHAT BETTER WAY TO CELEBRATE ANOTHER YEAR!

For loving couples, no birthday celebration is complete without sex! Just ask Nika and Pat. In fact, Nika knows that the time she spends trying to find just the perfect gift for Pat is really beside the point. Sure, he would enjoy whatever she gave him, but no gift could ever really inspire in him the heights of pleasure that her affectionate mouth could—or the deepness of her pussy as she sits it down on his rigid rod.

In fact, their all-day birthday boffs have become a tradition in the three years they've been together. After the exchange of gifts-whether for him or her- they quickly get down to the happy humping. Whether it's his birthday or hers, Nika will always wear a skimpy outfit so that Pat will have easy access to her lovely, smooth quim with its distinctive V-shaped landing strip. No reason to waste time fussing with buttons and bows when there's some serious celebratory banging to do!

Nika wonders to herself why Pat's cock always tastes its best on such days. Does the male body ooze unique birthday hormones or something? He tastes extra-delicious whether it's his birthday or hers, go figure. It's something for scientists to figure out!

Nika is a skilled cocksucker, and always goes the extra mile in blowing Pat on occasions like this. Major holidays seem to bring out her oral virtuosity as well. When she's riding his dick, she's superbly oral in another way-letting loose with some excited moans and groans that leave their neighbors aware that they have one of the most contented couples in town living next door!

Of course, no celebration is complete without a prolonged sixty-nine. It's something of a magic number when it comes to special occasions, don't you think? Certainly Nika and Pat do! ♣
